

NOTICE TO ALL FLORIDA LICENSED PROPERTY AND CASUALTY INSURERS

Limited Apportionment Company Status

In cooperation with the Florida Office of Insurance Regulation (OIR), we are providing this notice to all insurers as a reminder to those that qualify and desire to make application for Limited Apportionment Company Status, that such application must be received by OIR no later than March 31, 2011.

A Limited Apportionment Company is defined in §627.351(6)(c), Florida Statutes as an insurer with a policyholder surplus of \$25 million or less, writing 25% or more of its total countrywide property insurance premiums in the State of Florida and who petitions OIR to qualify as a Limited Apportionment Company within the first 90 days of each calendar year, (no later than March 31), and whose petition to qualify has been approved by OIR.

The following provisions apply for a qualified Limited Apportionment Company:

The apportionment of [a Limited Apportionment Company] in any calendar year for which it is qualified shall not exceed its Gross Participation (See, §627.351(2), Florida Statutes).

A regular assessment levied by the corporation on a limited apportionment company for a deficit incurred by the corporation for the high-risk account in 2007 or thereafter may be paid to the corporation on a monthly basis as the assessments are collected by the limited apportionment company from its insureds pursuant to s. 627.3512, but the regular assessment must be paid in full within 12 months after being levied by the corporation. (See, §627.351(6)(c), Florida Statutes).
